EXPERIENCE

Atria Senior Living, Carrollton, Tx— Maintenance Tech.

January 2020 - PRESENT

Facility and equipment maintenance, decision making, communication, time management, inventory upkeep, and resident satisfaction

World Pac, Farmers Branch, Tx— Floor Supervisor

August 2019 - January 2020

Lead my team in the Returns Department. Kept up moral and work efficiency, by helping as much as needed. Stored and managed inventory on the computer database.

City Warriors FC, Coppel, Tx— Youth Director/Coach

August 2017 - April 2020

Looked over all youth soccer teams (U10 and under). Coached two competitive teams. Responsible for recruiting, holding practices, coaching games, and managing teams efficiently. Consistently meeting with parents about their child's development; keeping good morale in the club was a top priority. *Club is currently called "Fever United Coppel"*

EDUCATION

Southern Methodist University - Bootcamp, Dallas, Tx— Full stack web Development

July 2021 - January 2022

University of North Texas, Denton, Tx— Anthropology

2006 - 2011

SKILLS / LANGUAGES

HTML

CSS

Bootstrap

Bulma

JQuery

JavaScript

APIs

Node

PROJECTS / ASSIGNMENTS

Youpedia: In this project I used the Youtube API in conjunction with the Wikipedia API to pull data and be displayed. Also working with the CSS framework, Bulma.

Password Generator: In this assignment I practiced my first JavaScript code. Writing my own functions to create a password.

Portfolio: In this, I created a self made portfolio from nothing. As a new developer I will constantly be updating to highlight my skills.
